

How to Purchase

For students living in any of the residential communities: Appalachian, Chenango-Champlain, College-In-The-Woods or Hinman, Meal Plans are part of the students tuition bill and questions can be directed to the Binghamton University Student Accounts. For all other off-campus students Commuter Meal Plans may be purchased at the Meal Plan Office or by dialing 1-888-858-9167. Also, you may get an enrollment form on our website.

Binghamton University Card System (BUC\$)

A BUC\$ account is a declining balance debit account accessed with your Binghamton University I.D. card. Think of your BUC\$ account as cash on hand. Your purchases are automatically deducted from your personal account. BUC\$ is easy to use, can be opened at any time at the Meal Plan Office, and is a great way to eliminate the need to carry cash. Books, school supplies, vending and items at off-campus locations all can be purchased using your BUC\$ account. There's no need to worry... any balance in your account is completely refundable.

2011-2012 Non-Traditional Meal Plans

**BINGHAMTON
UNIVERSITY**
STATE UNIVERSITY OF NEW YORK

Not a Traditional Meal Plan...

It is not about the number of meals, it is about dining when you want, where you want, and eating as much or as little as you want.

Our meal plan is the ultimate in simplicity and flexibility. Students start off with an opening balance of spending money, and purchase items at an a la carte price. There are no such things as lost meals, time restrictions, or even a limit on how many times a student can visit a dining facility on campus. Our plan is about personal choice. We know that every student has different dining needs. That is why we developed one plan, with six different options for opening balances in spending money.

Not enough cash on the plan? Not to worry. You can always add more, at anytime, and the money you add is pure spending money... you don't have to pay anything extra. It does not matter which plan you pick. You can always add more later.

Too much left at the end of the semester?? No problem! It will carry over to the next consecutive semester provided the student returns and purchases a meal plan. Even if you go off-campus, you can switch to a commuter meal plan at any time. Refunds are not available should you graduate.

All students residing in one of the resident communities are required to have a meal plan. Plan C is selected by default by the University for all incoming resident students.

Meal Plan Pricing

(per semester) for the 2011/2012 school year is as follows:
